What is Internal Audit Competence Benchmarking (IACB) ?

A nationwide initiative by Excelledia Quality Consulting, to address the gaps of Internal Auditor(s) and Internal Audit function, across the various industries.

This initiative, i.e. IACB, Qatar, has been supported by key Internal Audit associations. IACB has an Advisory Board, working on the development and execution of the project.

The objective of this project is to identify and benchmark the Core Competencies (Skill Sets) of Internal Auditors in the region and provide a platform for Skill Development.

Assessment findings shall be presented in an Annual Conference, to know the trends in various categories, like Job Function, Designation, Industry, Skill Development requirements, etc. This conference shall serve as a platform for all to come and share their best practices and lessons learnt in the space of Internal Audits
